

Zion DataFusionAI

DRIVE PRODUCTIVITY AND INNOVATION THROUGH INTELLIGENT AUTOMATION.

Accelerate Your Business with Zion DataFusionAI!

Deploy AI-powered knowledge search and chat solutions in just **30 minutes**, ready to be leveraged from **Day 1!** Whether modernizing legacy systems or building new AI applications, Zion DataFusionAI helps you achieve success faster than ever!

Key Features:

OpenAI-Enabled Document Search

Extract real-time answers using **Azure OpenAI** and **GPT-4o**. Supports **document embedding** and **vectorization** for precision searches.

Azure AI Search with Semantic Similarity

Perform advanced semantic searches with **Azure AI Search** to retrieve relevant information fast.

Azure Integrated Vectorization

Speed up development by reducing data ingestion time and maintenance.

Hosted on Azure Container Apps

Scalable and secure deployment for your AI-powered solutions.

Sample Data and Pre-Built Code

Start quickly with sample data, code templates, and workflows for multi-turn chat or Q&A.

Business Results Beyond the Ordinary

Zion DataFusionAI revolutionizes document retrieval and data integration with advanced AI capabilities, enabling businesses to unlock critical insights faster and more efficiently.

Improved Efficiency by 40%

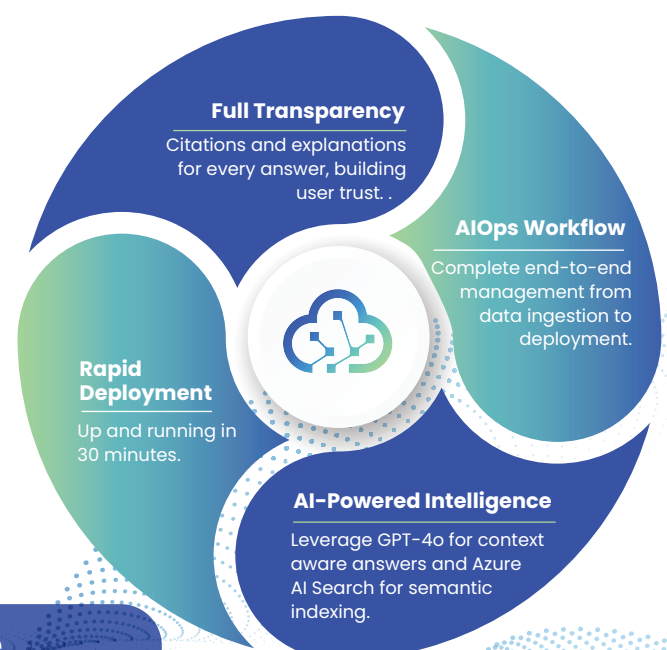

Zion DataFusionAI users have enhanced document retrieval efficiency by **40%**, automating the process and integrating seamlessly into existing workflows.

Seamless AIOps for Effortless Efficiency

Focus on innovation while we manage your AI solution for smooth, efficient operation

- **Model Monitoring and Retraining**
- **Maintaining Data Pipelines**
- **Providing Model Telemetry Data**

Why Zion DataFusionAI

Unlock the Power of Zion DataFusionAI

- **Developers & Engineers:** Streamline AI integration into your workflows for maximum efficiency and productivity.
- **Medium to Large Enterprises:** Modernize legacy systems or build next-generation AI-powered solutions with ease.
- **Startups & Consultants:** Gain a competitive edge by leveraging state-of-the-art AI technology to stand out in your industry.

Zion DataFusionAI is Your Competitive Edge

From fast deployment to ongoing AIOps management, Zion DataFusionAI delivers a complete AI solution, ensuring your system is monitored, enhanced, and ready for success.
